We are a volunteer parent organization that supports programs and activities that make education dynamic and enriched at Terra Linda High School in San Rafael, CA.

## AE@TL

AcademicExcellence@TL (AE@TL) is a parent volunteer organization that is part of the **OneTL Booster Community** that supports academic enrichment at Terra Linda High School in San Rafael, CA. AE@TL is funded by parent and corporate contributions to our school's **OneTL Campaign**. We also partner with many community and corporate organizations for service projects and programs developed by AE@TL.

## AE@TL Program Partners

AE@TL partners with a variety of community and corporate organizations who invest in our students' education and enrichment.

## Programs

AE@TL creates programs that engage a diverse range of students at all education levels. Our programs provide exposure and insights into a variety of subjects that are designed to complement, enrich and inspire the academic experience at TL.

We also provide grants to TL organizations that support academic enrichment and achievements for students at all academic levels.

Parents Supporting Academic Enrichment

Owen Dombrowski, TL Junior involved in TL Robotics Club and TLCoding Lab shares his innovations with children at the annual **Marinnovators** STEM-STEAM Maker Day at the Marin County Office of Education on May 2.

Update: 2014-15 School Year

Throughout the year, our TL Community only gets a fleeting snapshot of the many facets of AE@TL though our regular **OneTL Facebook** posts. In creating our first newsletter, we thought to provide you with an overview of our busy year supporting enrichment for our students: **in the classroom, on campus, in**
